REMARKS/ARGUMENTS

The action received on 5/17/06 indicated that Figure 26 was contained in the drawings but not in the brief description of the drawings and requested that Applicants amend the brief description of the drawings to include Figure 26. Applicants had meant to label Figure 26 as 26b, the latter being listed in the brief description of the drawings. Accordingly, Applicants are correcting this situation by submitting a replacement drawing for Figure 26, that is now correctly labeled as Figure 26b.

CONCLUSION

In view of the foregoing, Applicants believe all claims now pending in this Application are in condition for allowance. The issuance of a formal Notice of Allowance at an early date is respectfully requested.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at 650-326-2400.
